

Liskeard and District Agricultural Association

President 2024: Mrs Pauline Martin

Chairman: Mr Colin Dymond

Registered Charity No: 1170999

www.liskeardshow.org

MEMBERSHIP OF THE ASSOCIATION

The Liskeard & District Agricultural Association is dedicated to its original aims – to promote Agriculture and the Agricultural Industry within South East Cornwall and beyond; to encourage good husbandry and the breeding of cattle, sheep, horses and other animals; to support the trades, skills and crafts so necessary for country life.

The Association is a registered Charity, is a society for everyone connected with or interested in agriculture, livestock, breeding, forestry, conservation and country pursuits. Every one of our members is contributing to the success of the Association and to the annual show is assisting in drawing together Town and Country for their mutual benefit, in promoting better understanding and in helping to educate those without first hand knowledge of farming and the countryside.
