 12. **Disclosure and Barring checks** Organisations working with children on show site must ensure that their staff hold the appropriate disclosure and barring certificate and responsible for ensuring they have safeguarding policies and procedures in place.
 13. **Balloons:** Due to the injury that balloons can cause to livestock the Show has taken the decision not to permit the selling or gifting of balloons on their showground. Balloons may be used as part of a display but these must be removed by the exhibitor at the end of the Show.
 14. **Environmental:** Caterers and Trade Exhibitors are reminded that they are responsible for clearing all litter, grass cuttings etc in the area of their stand at the close of the show. If excessive litter is found, the cost of removal will be invoiced to the applicant. Waste oil, wastewater, chemicals, and hazardous substances must not be discharged onto the land.
 15. **Health & Safety:** All Caterers and Exhibitors are responsible for their compliance with all current Health & Safety and Covid Legislation, Regulations and Guidance.
Totnes Show's suitably qualified staff will undertake H&S compliance checks, in line with Health & Safety at Work etc. Act 1974 and Management of Health & Safety at Work Regulations of applications and on the day, but it remains the exhibitors' responsibility to ensure that all aspects of their operations are always fully compliant. **Those that are not will be expected to comply where advised and the Show reserves the right to ask any non-compliant operation to cease set up or trading immediately and leave without refund or recourse.**
ALL CATERERS AND TRADE EXHIBITORS MUST submit a copy of their own H&S Risk Assessment with their application, including food hygiene rating and managing allergens. It is the responsibility of the trader/exhibitor to ensure that their risk assessments are suitable and sufficient for the activities that they will be undertaking from when they arrive on site to set up to when they dismantle their stand and leave. **No trader / exhibitor will be permitted to attend if their own "suitable and sufficient" risk assessments have not been made available with their application together with a copy of their current public liability insurance cover.**
All relevant details of health and safety related inspections, training, risk assessment and communication must also be made available (for inspection) on site on the day of the show to support any statement made.
All Caterers and Trade Exhibitors must ensure that they have suitable firefighting equipment available and ready for use on their stand or exhibit. Caterers and Trade Exhibitors are responsible for ensuring that they have completed a fire risk assessment for their exhibit. Advice is available from
H M Government Guidance on Fire Safety Risk Assessment for Open Air Events and Venues.

11. All horned exhibits must be marked as such on the entry form.
12. All cattle to be led into the show field. All bulls over 15 months old to be led into the show field by a clamp or ring in the nose. It is recommended that all bulls are led by a minimum of two attendants. Exhibitors must also provide chains or ropes with all bullocks to fasten them onto cattle lines, as all cattle classes will be judged in the appropriate ring. Exhibitors are requested to make their exhibits halter trained and suitably behaved before the show. The committee cannot be held responsible for any damage caused to or by any exhibits.
13. It is the exhibitors' responsibility to ensure that the handler of any animal is of suitable physical capability, experience, and age to be in charge of that animal. Junior exhibitors leading animals in the Grand Parade must be accompanied by a competent adult who is NOT handling other animals. Correct dress code must be adhered to at all times.
14. It is recommended that ANY stallion or colt, 3 years of over, should wear a bit or chifney at all times when being handled.
15. All prize winners taking part in the grand parade must NOT be decorated with rosettes, etc. other than those won at the current Totnes & District Show.
16. The committee reserves the right to amalgamate or cancel any class that in their opinion has insufficient entries.
17. The judges may withhold any ordinary or special prize where there is an evident want of merit, and where there is only one animal or pen of animals shown in a class, the judges may award the first, second, or third prize according to the merit of the animal or animals exhibited.
18. If at any time whatever during the show the judges shall have the cause to doubt the soundness of a horse, notwithstanding the same may be provided with a certificate, they shall order such horse to be examined by the Society's veterinary surgeon, whose decision shall be final.
19. All riders must wear protective headgear which complies with the relevant current British Standard. The Totnes Show Society recommends the wearing of protective headgear when leading any horse or pony on the showground. Protective headgear MUST be worn when mounted.
20. While the Officials take every care, the Society will not in any case or under any circumstances be responsible for any accident, loss, damage, or injury to the competitors or the public attending the show, or for stock or produce which may be exhibited at the show. All exhibitors and competitors must hold a minimum of £5m public liability insurance which is to be valid on the day of the show.

22. Any person entering an animal or animals in the wrong class will be disqualified.
23. No person shall enter the judging area or have communication with the judges or examining veterinary surgeon without permission from the steward.
24. A full description as to name, colour, marks, etc. must be stated for every horse entered.

Totnes & District Show General Regulations 2026

25. Prize winners in the Cattle and Supreme Champion and Breed Champions in the Horse Sections must take part in the Grand Parade. Failure to do so may mean forfeiture of prize money. Prize Winners are asked to collect their prize money before 4:00pm on the Show day, from the ticket booth at the pedestrian entrance gate in the main Show field. Failure to do so entitles the Show to retain the prize money forthwith. No prize money will be posted after the Show.
26. Any exhibitor not responding to the request to return the cup(s) and/or trophy on time will not be entitled to take away any cups that they win in the future.
27. Rosettes will be awarded as follows: Cattle and Sheep to third place. Horses to sixth place. A Fourth place in the sheep classes will be awarded, only if 10 or more entries are forward in a class on the Show day.
28. Mobile phones must not be used when handling any livestock or equine in the Grand Parade or in any area of the Showground.
29. Quad Bikes or mini motorbikes are not permitted in any area of the showground, car, or lorry park, other than those authorised and used by Show Officials
30. Tampering with animals: Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any of the committee's Shows, for such period as the Committee may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Committee reserves the right to have all animals inspected by the Committee's Veterinary Officers, either prior to, during, or after judging.

The Committee will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Committee reserves the right to take any necessary samples. Any Person or Exhibitor (or his representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Organising Committee and dealt with at their discretion. In addition, the matter will be referred to the appropriate Breed Society or Organisation.

Any Exhibitor wishing to lodge an objection, having reference to Livestock exhibited at this Show, must make the same in accordance with the objection requirements of the Committee. If, on investigation, the objection is not sustained to the satisfaction of the Committee, the sum thus deposited shall, at the discretion of the Committee, be forfeited to the funds of the Society. All objections must be lodged on the same day as the alleged incident occurred in accordance with the objection regulations, and no objection will be SUBSEQUENTLY received, unless a reason, satisfactory to the Committee be assigned for the delay

31. Biosecurity measures in place will be strictly adhered to. Livestock vehicles must arrive having been cleaned and disinfected before leaving the holding. The Show reserves the right to turn away any vehicle which they (in partnership with the Veterinary expertise on site) feel is not in a clean state and has the potential for the spread of infection. Exhibitors may be required to comply with additional biosecurity measures on the day, including cleansing and disinfection of footwear and equipment.
32. While Officials take every reasonable care, the Society shall not be held responsible for any loss or damage except where arising from its own negligence.
33. In the event of an emergency, animals must be managed in accordance with instructions from Show Officials, Stewards and the attending Veterinary Surgeon.
34. Exhibitors must take suitable precautions to manage risks arising from uneven ground, wet grass, mud, animal waste, ropes and equipment, particularly in areas accessible to the public.
35. Exhibitors have a duty of care to ensure that animals are managed, handled and displayed in a manner that does not present a foreseeable risk to members of the public, Show officials or other exhibitors.
