Do not send the certificate to the Organisers but it should accompany the horse / pony on arrival at the show.

2. EHV

Due to the increased risk of EHV infection, we shall be putting in place a strict biosecurity policy, including an increased frequency of examination of horses on arrival. We ask that owners/riders take their horse's/pony's temperature for the three days leading up to arrival at the Show, and on the morning of travel to ensure that it is not above 38.5 degrees.

Please do not arrive on site if you are at all concerned about the health of your horse or pony before leaving home. If, upon arrival, you are concerned about anything, please speak to an official who will raise one of the Veterinary Team to assist you and make a decision about whether access to the site will be permitted. Please take great care with all your tack and anything associated with your horse/pony and ensure that there is no contact or possibility of cross contamination with other entrants and their belongings.

We are requesting for all horses' competing in national competitions at the show to complete and bring with them the BEF Equine Health Status Declaration for Competition form, which we will provide competitors with their notes on the run-up to the Show.

6. EXERCISING AND WORKING IN

The welfare of all equine competitors participating at the Show is of paramount importance to the London International Horse Show Committee. The Show will be strictly enforcing that all Riders should be of an appropriate size and weight for the horse/pony being ridden in the London International Horse Show collecting rings. Riders deemed oversized for their mount will be asked to dismount by a Show Official or Steward; and may be ineligible to compete as a combination.

Ponies competing in any Lead Rein or First Ridden class may only be exercised and ridden outside the ring by a Rider 16 years old or under.

An overweight or underweight animal would be of concern under veterinary grounds. Following veterinary advice from the Show's onsite Veterinary Team the Rider may be asked to dismount the animal, and under these circumstances the animal may not be eligible to compete at the Show.

7. ABUSIVE BEHAVIOUR

No competitor shall behave in an offensive or abusive manner to any Judge/Show Official. The Show Committee reserves the right to disqualify offenders from taking part in the Show.

8. COMPETITION

No competitor will be allowed to compete the same horse/pony in the International Arena and The Thomas Family London Arena on the same day. If an entry is submitted via the relevant Showing Society for an International Arena class, the entry in the London Showing Series class will automatically be withdrawn and refunded.
